## **Works Wonders** for Sick Women

STELLA-VITAE cured this woman, who had suffered for 25 years. Give it a chance to cure YOU!

WHAT STELLA-VITAE HAS DONE for one woman is well told by Mr. S. J. Hendrix, of Poscy, Texas, who gratefully writes us:

"For twenty-five years I had from one to three Doctors treating my wife for female troubles, and tried various patent medi-cines and she only received temporary relief. We tried STELLA-VITAE and to our surprise it restored her to better health then she even had. It did a won-derful work in her case."

STELLA-VITAE acts directly upon the female organs and functions. It tones and strenghtens the muscles and tissues, builds up and restores the whole system when run down and wasted by disease, soothes and adjusts the delicate nervous organization to that harmonious balance so necessary to perfect womanly health.

STELLA-VITAE regulates the functions peculiar to women, stops wasting and relieves dangerous suppression, banishes the terrors of those periods so dreaded by weak, nervous, run-down women.

STELLA-VITAE does not force nature, and is of remarkable benefit at all times and under all conditions. Its use during pregnancy benefits both mother and child.

We guarantee the first bottle of STELLA-VITAE to benefit you. If it don't you get your money back. If it does, your dealer is authorized to sell you six bottles for \$5.

Try STELLA-VITAE on this "all to gain and nothing to lose" basic. Try it TODAY. If you are sick there is no time like NOW for trying STELLA-VITAE.

An old lady boarded a 'bus at Piccadilly Circus, and, after they had gone a few yards, asked the conductorone of the fallen stars:

## KIDNEYS CLOG UP FROM EATING TOO MUCH MEAT

Take Tablespoonful of Salts if Back Hurts or Bladder Bothers-Meat Forms Urlo Acid.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts: take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to finsh and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.—Adv.

"Well, I figure it this way," explained the haberdasher. "Whenever I hang out a sign, it's for something I want to get rid of."

# HEARINGS ON THE

SENATE COMMITTEE WILL AL. LOW 15 DAYS FOR HEARING ON MEASURE.

IS OPEN TO THE PUBLIC

Senate Devoted Entire Day to Discussion of Different Phases of the Matter.-Nothing Complete Until Committee Passes.

Washington. - Confronted by telegrams from Gulf and Pacific Coasts ports urging public hearings on the bill proposing the Panama exemption repeal, the Senate Interoceanic Canals Committee decided to give 15 days to hearing both proponents and opponents of the measure which passed the house. Meanwhile the committee will hear various senators who have offered substitute plans for the flat repeal measure passed by the house.

The committee entered into no discussion of the merits of the bill itself. A long standing rule that committee meetings should be secret was put aside and the discussion thrown open to the public but a few senators, a group of school girl tourists and newspaper men were the only persons to take advantage of the departure from precedent.

In the senate the repeal fight occupied virtually the entire day although formal presentation of the matter will not come until the conclusion of the committee hearings and its deliberations. The first roll call on the general subject was taken on a motion to refer to the Foreign Relations Committee a resolution offered by Senator Poindexter asking that the President explain what matters he had in mind in writing in his repeal message of "matters of even greater delicacy and nearer consequence," and what connection these matters might have with the Panania Canal regulations and tolls. The administration forces by a vote of 35 to 27 sent the resolution to the committee, seven Democrats voting in the negative and nine Republicans in the affirmative.

American Government Seeks Mediation With Carranzas.

Washington. - Vigorous reprsentations went from the American government to General Carranza urging him to modify the order of General Villa expelling Spaniards from Torreon. The situation is giving grave concern to authorities here. The United States had undertaken to extend to Spaniards in Mexico the same protection it affords Americans resident there, and Ambassador, Riano has been assured that nothing will be left undone to assure for the unfortunates at Torreon every right to which they are entitled under international law and usage.

Spain proposes to exhaust every re-source to rotect her people it was made plain, when Rear Admiral Mayo Tampico, cabled the navy depart ment that the commanding officer of the British cruiser Hermosino had been instructed to care for Spaniards at that port.
